4. Significant Subsequent Event

On November 13, 2024, the Company's Board of Directors approved the resolution to implement a "Second Career Special Support Framework" for employees who are enrolled in the Company or seconded from the Company to companies inside and outside the Group.

(a) Purpose and background

To achieve the Group's 2030 vision to further evolve the business into the insurance-related service business and further improve capital efficiency, in the medium-term management plan that started in FY 2024, we are working to transform our business model in domestic businesses, expand overseas businesses, develop new fields of businesses in the non-insurance domain, and drive DX to improve productivity. Through the Second Career Special Support Framework, we will further accelerate the transformation and promote the diversification of human resources and the improve their skills. In light of changes in people's values related to work styles and lifestyles as we enter the age of 100 years of life, we believe that there is a growing need for companies to provide a framework that enables employees to choose their careers more flexibly.

Based on this recognition, we decided to introduce this framework to support employees to actively acquire new knowledge and skills and play an active role within the Group, while for those who have achieved a certain level of career to provide a comprehensive support to help them choose a second career where they can utilize their acquired knowledge and skills outside the Group.
