This press release may contain statements that are "forward-looking statements" regarding our intent, belief or current expectations of management with respect to our future results of operations and financial condition. Any such forward-looking statements are not historical facts but instead represent only our belief regarding future events, many of which, by their nature, are inherently uncertain and outside our control. Important factors that could cause actual results to differ from those in specific forward-looking statements include, without limitation, economic and market conditions, consumer sentiment, political events, level and volatility of interest rates, currency exchange rates, security valuations and competitive conditions. Forward-looking statements are not guarantees of future performance and involve risks and uncertainties, and actual results may differ.
